Good Morning Parents!

First, thank you for entrusting us to watch your children either for before-care or through the after-care option.

There are some reminders I would like to provide as we finish the first week of school.

Before care starts at 7:15 am. We do not want any children dropped off before then as it becomes a safety concern as the person working in the morning may not be there to accept the children until 7:15am.

With after-care, they are given a small snack and will have time to work on homework or read! There may be opportunities for varied activities; however, academic time to complete homework will come first.

Due to safety concerns, an ID will be required to confirm those individuals listed on the check-out list are picking up the students.

The registration fee is being asked to secure your child's spot in the program. We are asking that everyone pay the registration fee, Before-Care After-Care, or Both online through the link on the school's website.

- Every child attending must complete a current registration form and pay a registration fee of \$25.00
- Tuition fees must be paid weekly. Payments are due each Friday for the following week. Payments are considered late by Monday evening. Late payments will be subject to \$10.00 late fee.
- Weekly tuition is \$40.00 for before care, \$75.00 for after care, \$100.00 for both before and after care. The rate will not change due to RCPS holidays or weather cancellations. RCPS employees receive an additional \$10.00 weekly discount.
- No credits for missed sessions

Best Regards,

Lalita Waites
